Out of great love and loss, the Carly May Foundation's mission is to provide support for families that include a child with Down Syndrome and/or a chronic illness. In May 2007, the Carly May Foundation was established as a 501 (c) 3 not-for-profit organization. In the 14 years since its founding, the Carly May Foundation has raised over \$350,000 to organizations that align with our mission.

The purpose of the event is to remember Carly May Harris and her love for life. At the Carly May Foundation, we strive to continuously honor her enduring vitality for life by reminding ourselves that life is lived one day at a time and the memories from each day can last a lifetime. Proceeds from the Carly May Classic, support organizations that champion programs for children with Down Syndrome and/or a chronic illness – from beginning of life to the end of life.
